

2024 SUMMER CAMP SCHEDULE

Sessions 2 through 8 are open to campers aged 5-55; see posted ages for Sessions 1 and 9.

Campers within each session are grouped by age and will share a cabin with other campers in a similar age-range.

Session 1 – Adult, May 19 - 24

Ages 25-55 | This session is appropriate for campers with mild intellectual and physical disabilities who are more independent and can share a counselor with another camper.

Session 2 – General, June 9 - 14

This is a mixed ability session for campers with mild to moderate intellectual disabilities and/or physical disabilities.

Session 3 – Autism, June 16 - 21

This session is designed and most appropriate for campers on the Autism spectrum; this session is not suitable for campers who use wheelchairs.

Session 4 – Medical, June 23 - 28

This session is best for campers with moderate to severe physical or medical conditions, and/or campers with medically involved conditions who require 24-hour awake nursing care or overnight medical monitoring. This session is not suitable for those with advanced behavioral needs.

Session 5 – Autism, July 7 - 12

This session is designed and most appropriate for campers on the Autism spectrum; this session is not suitable for campers who use wheelchairs.

Session 6 – General, July 14 - 19

This is a mixed ability session for campers with mild to moderate intellectual disabilities and/or physical disabilities.

Session 7 – Medical, July 21 - 26

This session is best for campers with moderate to severe physical or medical conditions, and/or campers with medically involved conditions who require 24-hour awake nursing care or overnight medical monitoring. This session is not suitable for those with advanced behavioral needs.

Session 8 – General, July 28 - August 2

This is a mixed ability session for campers with mild to moderate intellectual disabilities and/or physical disabilities.

Session 9 – General, August 4 - 9

Ages 15-45 | This session is appropriate for campers with mild intellectual and physical disabilities who are more independent and can share a counselor with another camper.
